Policy Number: 006

Revision: 1

Date: March 4, 2020

New Resident Account Set-Up Policy

Applicable to: Trustees and Employees of Scott Point Waterworks District

New Resident Account Set-Up Fee

1. Any applications for water service to a premises upon the sale or change in occupancy made in accordance with By-law 88 must include an application to the District for a new account to be set-up. New owners shall submit account information in a form specified by the Trustees.
2. The Trustees hereby authorize a fee to be charged to new owners for the administration costs of setting up a new account. The new account administration fee is hereby set at \$50.00 and is due at the time of account application.
