Current Regulations & Water Tolls

- Sprinkling restrictions may be imposed by the Trustees upon notice. At all times sprinkling is to be limited to one outlet not exceeding 1/2" diameter. Residents are strongly encouraged to use rainwater capture for use in their gardens.
- Residents must close the valve downstream from the meter if the property is left unattended for more than 3 days.
- Water Tolls and Parcel Taxes are set by the Trustees. Water tolls, with a set minimum payment, are billed bi-monthly. The annual Parcel Tax for each lot is payable by July 2.
