BY-LAW 121

A BY-LAW TO SET WATER TOLLS AND TO FIX TOLLS PAYABLE FOR THE CONSUMPTION OF ABNORMAL QUANTITIES OF WATER AS A RESULT OF A LEAK OR CARELESS OPERATION OF A PROPERTY OWNER'S SYSTEM DOWNSTREAM OF THE CURB STOP AND WATER METER

The Trustees of the Scott Point Waterworks District enact as follows:

1.

Effective on the first day of May, 2022, and continuing thereafter the following tolls are hereby fixed and made payable per two month period by all owners of land in the Improvement District to which water is delivered from the works of the Improvement District.

0 – 5,000 gals.	\$30.65 per thousand gals., minimum charge of \$153
5001 – 10,000 gals.	\$66.00 per thousand gals.
Over 10,000 gals.	\$1,000.00 per thousand gals.*

*Notwithstanding this toll, By-Law #88-20 will be applied for consumption in excess of 10,000 gals. in a given billing period if in the Trustees opinion the water supply is at risk.

2.

Overdue water toll accounts are subject to a late payment surcharge on all amounts outstanding after the due date, of 10 per cent of the outstanding amount and any associated collection costs or fees.

3.

When a property experiences a loss of water by reason of a sudden and accidental failure of a pipe, valve, fixture or tank thereon and not the result of carelessness or negligence, and the loss was duly reported to and approved by the District's Board of Trustees, the billing for the period during which loss occurred shall be the lesser of:

- a. The actual consumption charged at the prevailing rate schedule, or
- b. The greater of three times the highest bill for the preceding twelve months.

4.

When a property experiences a loss of water as a result of carelessness or negligence, then the full amount of the consumption shall be charged at the prevailing rate schedule. Carelessness or negligent loss of water shall include, but is not limited to, open faucets or hose connections, malfunctioning fixtures or appliances, or the failure to turn off the water at an isolation valve immediately downstream of the water meter when the property is left unattended for more than three days.

5.

In addition to the aforementioned charges, there is a fixed and made payable to the improvement district by every owner or occupier of premises in respect to which a request is made for the water supply be turned off, or on the order of the Trustees for the water supply be turned off, a charge of twice the bi-monthly minimum billing charge for each time the water is turned off. There is also a fixed and made payable to the improvement district by every owner or occupier of the premises in respect to which a request is made that the water be turned on, a charge of twice the bi-monthly minimum billing charge.

6.

The Trustees may by resolution, and on written notice order the water service to be shut off to any premises on which there are water tolls or other charges owing for 120 days or longer from the due date.

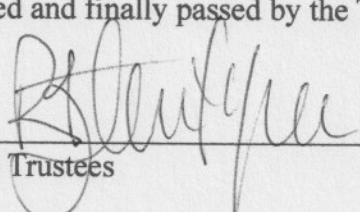

7.

This By-Law repeals By-Law 119.
