

SCOTT POINT WATERWORKS DISTRICT

377 Scott Point Drive, Salt Spring Island,
British Columbia, Canada, V8K 2R2

BY-LAW 121

A BY-LAW TO SET WATER TOLLS AND TO FIX TOLLS PAYABLE FOR THE
CONSUMPTION OF ABNORMAL QUANTITIES OF WATER AS A RESULT OF A
LEAK OR CARELESS OPERATION OF A PROPERTY OWNER'S SYSTEM
DOWNSTREAM OF THE CURB STOP AND WATER METER

The Trustees of the Scott Point Waterworks District enact as follows:

1.

Effective on the first day of May, 2022, and continuing thereafter the following tolls are hereby fixed and made payable per two month period by all owners of land in the Improvement District to which water is delivered from the works of the Improvement District.

0 – 5,000 gals.	\$30.65 per thousand gals., minimum charge of \$153
5001 – 10,000 gals.	\$66.00 per thousand gals.
Over 10,000 gals.	\$1,000.00 per thousand gals.*

*Notwithstanding this toll, By-Law #88-20 will be applied for consumption in excess of 10,000 gals. in a given billing period if in the Trustees opinion the water supply is at risk.

2.

Overdue water toll accounts are subject to a late payment surcharge on all amounts outstanding after the due date, of 10 per cent of the outstanding amount and any associated collection costs or fees.

3.

When a property experiences a loss of water by reason of a sudden and accidental failure of a pipe, valve, fixture or tank thereon and not the result of carelessness or negligence, and the loss was duly reported to and approved by the District's Board of Trustees, the billing for the period during which loss occurred shall be the lesser of:

- a. The actual consumption charged at the prevailing rate schedule, or
- b. The greater of three times the highest bill for the preceding twelve months.
