Watering Restrictions Policy

Applicable to: All residents of Scott Point Waterworks District

1. Section 31 of Bylaw 117 provides the trustees with the authority to: *at any time introduce regulations restricting the use of Water for sprinkling or any other purpose. Upon receiving due notice of such restriction, no person shall use Water for the purposes forbidden by, or in excess of the limits imposed by, such restrictions. Due notice of restrictions shall be given either by publication in a newspaper circulating within the District or by mail or by electronic mail.*
2. Conditions which may require water restrictions to be issued:
 - Weekly static well height readings moving 10% below 5 year averages
 - Water consumption consistently exceeding normal levels for the period, after possible leaks are considered
 - NSSWD and Provincial water restriction/drought levels
3. The following are the staged restrictions that trustees could adopt and provide notice. Permitted Dates are Even Dates for even-numbered residences, and Odd Dates for odd-numbered residences.
